Why Support Local Businesses

Smoky Lake County is hosting the event that we all love; giving back to the local community is a way to say thanks! We ask everyone attending the Reign Bough Fiddle Music and Arts Festival to purchase whatever they can in the local community before, after, and during the event.

Re-Entry Discount

In order to reduce traffic to and from site there is a \$20 re-entry fee; however, for each \$50 spent in the local community you will receive \$5 off the price of re-admission to a maximum of \$10. If you purchase your goods Friday you can still use them for a discount Sunday, **it does not have to be from the same trip**. Just pass your receipts onto our gate staff or put them into the receipt drop box yourself. In order to protect your privacy our staff will not review your purchases, only the total amount.

Gate Hours

The gates at Reign Bough Fiddle will be open from 9:00AM to 12:00AM each day. Should you require afterhours access please head to site operations. Note that if you do not appear fit to drive for any reason including lack of sleep our staff have been instructed not to open the gate for your vehicle.

Contact Information

We believe in supporting the local community, if you have any questions or concerns please contact us, **we are happy to discuss them with you.**
